

## MARKET REPORT - DECATUR LIVESTOCK MARKET

**Consignments** from January 4, 2016 from 257 sellers were 1411 head including: 30 Bulls, 215 Cows, 30 Calves, 98 Longhorns, 374 Stocker Heifers, 418 Stocker Bulls/Steers, 86 Feeder Heifers, 161 Feeder Bulls/Steers. Average price = \$834. Last sale = \$766. A year ago = \$1290. With most markets being closed for last 2 weeks and the glut of boxed beef working it's way through the system, demand for both live and processed cattle increased. The futures moved higher as feeders see some opportunity for cattle coming out of feedlots in late spring and early summer. The national market moved \$10-\$20 higher on calves and feeders as compared to last sale of 2015. Your local market had gains of \$19-\$29 on 4-7 weight steers and \$23-\$32 on heifers with our weaned calf segment setting the higher tone. Bred cows and pairs steady but very few better kind being offered so we will be busy lining up quality cows for our April 9 special sale. **Call us today to consign your cattle.**
