

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from January 23, 2017, from 279 sellers were 1478 head including: 32 Bulls, 236 Cows, 24 Calves, 128 Longhorns, 322 Stocker Heifers, 402 Stocker Bulls/Steers, 121 Feeder Heifers, 213 Feeder Steers. Average price = \$657. Last sale = \$633. A year ago = \$806. A meaningful comparison to last week's market cannot be provided as the make up of consignments is so different – this week a higher ratio of bull calves to steers, Xbred calves and inconsistent quality. Apparently, the ropers are recycling and reducing their inventory based upon the large number of 2 and 3 weight dried out calves that came in. Lots of dairy X but the better beef calves were in good demand and reaped some high prices. High prices on 4-5 weight steers had double digit gains – the 6-8 weight heifers \$1.00 - \$3.50/cwt higher. Packer cattle also had good advances - \$5.00 - \$6.00/cwt higher on high prices. Not enough pairs or young bred to test the market. *Our 25th annual "Bringing in the Green" Special Replacement Sale is scheduled for Saturday, April 22. Consignments open – to consign your cattle please give us a call at 940-627-5599 or by email dlmteam@aol.com.*
