

MARKET REPORT - DECATUR LIVESTOCK MARKET

Consignments from February 6, 2017, from 258 sellers were 1455 head including: 31 Bulls, 169 Cows, 34 Calves, 100 Longhorns, 328 Stocker Heifers, 384 Stocker Bulls/Steers, 160 Feeder Heifers, 249 Feeder Bulls/Steers. Average price = \$674. Last sale = \$638. A year ago = \$834. USDA Market report quoted feeders \$2.00-\$5.00 higher and calves \$2.00-\$7.00 higher with good demand for light weights. Your local market, led by a good supply of weaned calves, had larger gains as compared to last week. 3-5 weight steers were \$4.50-\$9.00 higher on high prices with 6-8 weights \$6.00-\$8.00 higher. Except for 4 and 5 weight heifers, all other weights were \$12.50-\$18.00 higher. We had a high ratio of packers cows that would not yield the 350#-450# minimum carcass target. This on top of a pullback in the packer market made for a dismal packer market. We had a better offering of pairs and bred cows with pairs selling \$1350-\$2000 and young bred at \$920-\$1475. **Our 25th annual "Bringing in the Green" Special Replacement Sale is scheduled for Saturday, April 22. Consignments open – to consign your cattle please give us a call at 940-627-5599 or by email dlnteam@aol.com.**
