

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from February 13, 2017, from 232 sellers were 1213 head including: 34 Bulls, 251 Cows, 34 Calves, 96 Longhorns, 244 Stocker Heifers, 290 Stocker Bulls/Steers, 111 Feeder Heifers, 153 Feeder Steers. Average price = \$601. Last sale = \$674. A year ago = \$832. The regional market had \$1-\$3 gains on comparable calves weighing 500#+ and \$1-\$2 on feeders as compared to last week. Your local market had very few calves comparable to last week which included a high ratio of weaned calves. High prices on 2 weight steers, 4 and 6 weight heifers advanced \$10/cwt so the demand was there for the better kind of market ready calves – but supply was lacking. The anticipation is that if we get the rain as forecasted that would provide a good boost to the market. *Our 25th annual “Bringing in the Green” Special Replacement Sale is scheduled for Saturday, April 22. Consignments open – to consign your cattle please give us a call at 940-627-5599 or by email dlmteam@aol.com.*
