

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from March 1, 2021, were 1262 head including: 58 Bulls, 259 Cows, 53 Calves, 129 Longhorns, 243 Stocker Heifers, 253 Stocker Bulls/Steers, 114 Feeder Heifers, 153 Feeder Steers. With 2 weeks off due to the winter weather, we were unsure of what to expect with the market. The 326 head in the weaned segment were well received and helped push prices higher on average. Demand was strong all weight classes with 2-5 weight steers advancing \$15-\$30/cwt. Pairs and bred were in demand with quite a few going back into the country. Packer cows were a little cheaper due to the high number of lower yielding cows on hand. Bulls were steady to \$2/cwt higher.

PRICES REFLECT BEEF CALVES ONLY.
