

MARKET REPORT - DECATUR LIVESTOCK MARKET

Consignments from March 6, 2017, from 234 sellers were 1494 head including: 21 Bulls, 197 Cows, 26 Calves, 95 Longhorns, 314 Stocker Heifers, 367 Stocker Bulls/Steers, 190 Feeder Heifers, 284 Feeder Bulls/Steers. Average price = \$703. Last sale = \$694. A year ago = \$908. USDA market quoted today was feeders steady to \$2 higher with calves \$2-\$3 higher. Your local market did not have a large supply of long tail yearlings but did have 671 weaned calves that pushed the market higher. Average gains on 5-8 weight steers were \$4-\$6 higher. Demand for unweaned calves backed up, dropping prices \$2-\$3 lower but the weaned calves of all weights moved to higher levels. Large percent of cows under 1000# so we did not have a valid test – only 9 pairs came to town and only 3 young enough to go to the country; breeds were either small heifers or older cows. *We are expecting 12 Black/BBF bred heifers for next week's sale. They will be bred to LB Cox Ranch Angus bull. Our 25th annual "Bringing in the Green" Special Replacement Sale is scheduled for Saturday, April 22. Consignments open – to consign your cattle please give us a call at 940-627-5599 or by email dlteam@aol.com.*
