

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from March 11, 2019, were 1479 head including: 38 Bulls, 314 Cows, 49 Calves, 124 Longhorns, 313 Stocker Heifers, 375 Stocker Bulls/Steers, 107 Feeder Heifers, 159 Feeder Steers. The buying frenzy of recent weeks cooled off following the drop in the futures market and fewer weaned calves. Comparable weaned calves were \$2-\$3 lower than last week. 2-3 weight calves were in good demand with several long strings of #1 quality calves. Prices on bred cows and pairs responded to the better quality being offered – most of the young breeds sold for \$1050-\$1400 while mid age were \$1050-\$1325. The young pairs mostly \$1225-\$1400. Packer bulls were \$2 higher and cows steady. *Consignments are being accepted for the annual “Bringing in the Green” Special Sale scheduled for Saturday, April 13. Please call our office to schedule a time to view your cattle that you wish to consign.*
