

## MARKET REPORT - DECATUR LIVESTOCK MARKET

*Consignments* from April 6, 2020, were 606 head including: 16 Bulls, 200 Cows, 20 Calves, 48 Longhorns, 115 Stocker Heifers, 149 Stocker Bulls/Steers, 29 Feeder Heifers, 29 Feeder Bulls/Steers. Things were pretty grim as cattle producers face yet another week of downfall in the cattle market. With the continuing yo-yo effect of the stock market, the cattle futures are having a hard time finding any ground. As a result, our market was \$10-\$20/cwt lower on all classes of calves/yearlings. We did notice that there is still a demand for bred cows and pairs although we didn't have very many to choose from. Packer cows and bulls were \$15-\$20/cwt lower. Sure will be nice when we have something more positive to report for the market! **AS A REMINDER, DUE TO THE CORONAVIRUS SOCIAL DISTANCING REQUIREMENTS, WE ONLY ALLOW ACTIVE BUYERS IN THE AUDITORIUM. NO SPECTATORS AND NO KIDS ALLOWED UNTIL FURTHER NOTICE.**

PRICES REFLECT BEEF CALVES ONLY.
