

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from May 7, 2018, from 231 sellers were 2168 head including: 37 Bulls, 265 Cows, 93 Calves, 110 Longhorns, 576 Stocker Heifers, 601 Stocker Bulls/Steers, 172 Feeder Heifers, 314 Feeder Steers. Average price = \$678. Last sale = \$664. A year ago = \$697. With the 495 head of calves consigned for the weaned calf segment leading the way, the calf market was pushed higher. 83% of the stocker steers were 3-5 weights with prices \$2.50-\$8.00 higher and the 6-7 weight feeders were \$4.00-\$7.00 higher. The 2-5 weight heifers were steady to \$9.00 higher and 7-8 weight heifers \$3.00-\$6.00 higher. As has been the pattern in recent weeks, the majority of breders were 650-775# heifers – not a product for the faint of heart. Prices on most of these are in the \$100-\$115/cwt range. Packer prices on cows were steady. **Early consignment for Monday, May 14: 30 +/- Black Corriente heifers. Home grown and ready to rope. Averaging 400#. Nice set of uniform heifers!**
