

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from May 29, 2017, from 165 sellers were 1033 head including: 29 Bulls, 284 Cows, 114 Calves, 73 Longhorns, 172 Stocker Heifers, 207 Stocker Bulls/Steers, 118 Feeder Heifers, 36 Feeder Steers. Average price = \$749. Last sale = \$726. A year ago = \$846. We featured 4 consignments that had been nominated for our April special but we had exceeded our quota so scheduled them for a special segment for today. Big turnout for them with the bred's topping at \$2200 and pairs at \$2400. The calf market suffered from the lower futures market Friday and with the Stock Exchange closed today, the buyers were cautious. Several order buyers had money to spend but not enough #1 and #2 calves to satisfy their orders. Next week 1st Monday weaned calf segment should provide a better selection for them.
