

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from June 3, 2019, were 1250 head including: 27 Bulls, 288 Cows, 39 Calves, 98 Longhorns, 234 Stocker Heifers, 370 Stocker Bulls/Steers, 61 Feeder Heifers, 133 Feeder Steers. The live cattle market continues to be pushed lower in response to the futures contracts searching for a foundation to settle upon. The demand for calves is moderate at best and the buying criteria is very narrow – condition and quality are key. We had good response to the weaned calf segment with high prices double digits higher on 3-5 weight steers and \$4 higher on 6-7 weights. 5-6 weight heifers were \$3-\$7 higher as compared to last week when we had very few weaned calves. Bred cows steady. Better selection of pairs pushed prices higher. Packer prices steady.
