

## MARKET REPORT - DECATUR LIVESTOCK MARKET

**Consignments** from June 6, 2016, from 187 sellers were 1086 head including: 21 Bulls, 167 Cows, 55 Calves, 96 Longhorns, 154 Stocker Heifers, 207 Stocker Bulls/Steers, 150 Feeder Heifers, 236 Feeder Bulls/Steers. Average price = \$811. Last sale = \$841. A year ago = \$1191. 4-7 weight steers had double digit gains as did the 4-5 weight heifers. Nationally, the feeder steers and heifers were quoted as \$3-\$10 higher as compared to two week's ago and calves \$2-\$4 higher, in spite of futures market being lower. With smaller numbers last week because of the holiday, demand by the feed lots were greater this week. Locally, we had higher ratio of weaned calves that contributed to higher prices. Majority of bred cows were older and/or short bred. Pairs were \$150-\$325 higher. Packer bulls \$2-\$4 higher. *Early consignments for next week include 30 head of fancy open Black Angus type heifers. Average 750#. Nice set of replacement quality heifers.*
