

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from June 11, 2018, were 1612 head including: 35 Bulls, 324 Cows, 95 Calves, 200 Longhorns, 265 Stocker Heifers, 344 Stocker Bulls/Steers, 114 Feeder Heifers, 235 Feeder Steers. The market for comparable calves was stronger this week in response to aggressive harvesting of cattle out of the feedlots for the past 3 weeks. Conditioned calves were in high demand but not plentiful. The few long yearling feeders were \$4-\$6 higher. The long string of young Corriente cows we advertised drew several buyers. The 18 pairs sold for \$650-\$750 and 33 bred \$400-\$600 with most \$425-\$460 and 2-6 months bred. Stocker bred and pairs tracked quality which dropped out from last week – with higher ratio of longhorns than normal. Packers steady to \$1 higher.
