

## MARKET REPORT – DECATUR LIVESTOCK MARKET

**Consignments** from June 13, 2016, from 212 sellers were 1176 head including: 16 Bulls, 238 Cows, 46 Calves, 78 Longhorns, 196 Stocker Heifers, 286 Stocker Bulls/Steers, 128 Feeder Heifers, 188 Feeder Steers. Average price = \$718. Last sale = \$811. A year ago = \$1218. The market reflected the negative impact of the national tragedy of the weekend terrorist attack in Florida. Such incidents drain the energy from our normal endeavors, but we will bounce back. Cattle futures took a deep drop as the industry tries to quantify the scope of exposures so we experienced a drop on feeder cattle. In our part of the country, the forecast of continued high humidity with 100° + heat index is not a favorable situation for processing cattle, especially unweaned calves so prices had to be adjusted to offset the higher risk. Locally, we had a big drop off in quality as compared to last week with a high ratio of Longhorn X yearlings and unweaned calves. **WE WILL BE CLOSED JUNE 30 – JULY 7. WEANED CALF SEGMENT TO FEATURED ON MONDAY, JULY 11.**
