

MARKET REPORT - DECATUR LIVESTOCK MARKET

Consignments from June 14, 2021, were 1326 head including: 24 Bulls, 248 Cows, 38 Calves, 126 Longhorns, 226 Stocker Heifers, 337 Stocker Bulls/Steers, 98 Feeder Heifers, 229 Feeder Bulls/Steers. Even with the high humidity and extreme heat, the market on calves and yearlings was better again this week. However, we are entering the time of year when you can expect higher discounts on certain types of cattle (ie, fat calves, calves with lots of hair, weak cattle). The high prices on all weight classes was higher with lightweight calves seeing the most improvement. Not very many take home kind of bred cows and pairs. Not as much demand for packer cows and bulls compared to last week, although the market was \$3-\$6/cwt higher than 2 weeks ago.

PRICES REFLECT BEEF CALVES ONLY.

BEEF CATTLE
