

MARKET REPORT - DECATUR LIVESTOCK MARKET

Consignments from June 24, 2019, were 1502 head including: 36 Bulls, 409 Cows, 59 Calves, 168 Longhorns, 258 Stocker Heifers, 287 Stocker Bulls/Steers, 100 Feeder Heifers, 185 Feeder Bulls/Steers. The market fundamentals remain unchanged as do the results. There has been some pull down of boxed beef with the grilling season ramping up so the feeder prices were \$3.00-\$6.00 higher on the national market. Packer cows and bulls were \$1.00-\$2.50 higher. Hot weather makes hot cattle – cattle that have not shed hair or show cattle tend to overheat, which in turn causes them to present poorly. We just want everyone to keep this in mind as you prepare to sell cattle.
