

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from July 11, 2016, from 245 sellers were 1761 head including: 30 Bulls, 231 Cows, 69 Calves, 121 Longhorns, 343 Stocker Heifers, 3691 Stocker Bulls/Steers, 344 Feeder Heifers, 254 Feeder Steers. Average price = \$730. Last sale = \$734. A year ago = \$1195. As compared to our last sale, feeder steers and heifers were \$13-\$14/cwt higher as buyers were able to put together truck load lots of yearlings. A good turnout for the monthly weaned calf segment pushed steers and heifer prices higher. Unweaned calves continue to be discounted. Packer prices \$2-\$3 lower. Most of the bred were shortbred heifers. Majority of pairs were from a dispersal consisting of thin cows with 175-225# calves by side.
