

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from July 13, 2020, were 1719 head including: 53 Bulls, 282 Cows, 68 Calves, 199 Longhorns, 334 Stocker Heifers, 329 Stocker Bulls/Steers, 177 Feeder Heifers, 277 Feeder Steers. Overall, the market experienced an upward trend on most weight classes on the high prices with weaned calves/yearlings in high demand. Fat, bawling calves that came right off their mamas are a little harder to sell given the heat and humidity, which made our average prices a little cheaper than our last sale. Good, young bred and pairs still in good demand, just not many to choose from. Packer market was steady.

PRICES REFLECT BEEF CALVES ONLY.

BEEF CATTLE
