

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from August 1, 2016, from 223 sellers were 1349 head including: 25 Bulls, 232 Cows, 15 Calves, 71 Longhorns, 235 Stocker Heifers, 294 Stocker Bulls/Steers, 203 Feeder Heifers, 274 Feeder Steers. Average price = \$773. Last sale = \$720. A year ago = \$1234. Compared with last week the national market on feeders was \$4-\$6 higher with good demand while calves were steady with moderate demand. Your local market was positively influenced by a good supply of weaned calves and yearlings. 5-7 weight steers were \$3-\$4 higher while heifer prices had very good gains with long strings of 7 weight heifers topping last week's prices by \$16.75/cwt and 5 weights gaining \$7.50/cwt. We had 474 head come in on Saturday to sell in the weaned calf segment with another 180 weaned cattle that came in Sunday/Monday that sold in the regular run. With 3 digit heat, weaned cattle are very popular. Increased demand for high yielding packer cattle pushed average prices higher.
