

## **MARKET REPORT - DECATUR LIVESTOCK MARKET**

**Consignments** from August 8, 2016, from 161 sellers were 799 head including: 18 Bulls, 187 Cows, 62 Calves, 97 Longhorns, 104 Stocker Heifers, 175 Stocker Bulls/Steers, 42 Feeder Heifers, 114 Feeder Bulls/Steers. Average price = \$743. Last sale = \$773. A year ago = \$1141. The market continued the upper movement that started last week. 2-4 weight calves experienced double digit gains. 5-6 weights were \$5.00-\$7.50 higher even though we had fewer weaned calves. Last week's positive movements on the futures contracts plus the forecast for a break in the heat wave next week turned bears into bulls this week. Prayerfully, the Olympic Games will continue to let the world focus on the positive aspects of civilization – we can use a break from the negative of politics and global unrest.
