

## MARKET REPORT – DECATUR LIVESTOCK MARKET

**Consignments** from August 13, 2018, were 1564 head including: 34 Bulls, 332 Cows, 85 Calves, 154 Longhorns, 324 Stocker Heifers, 373 Stocker Bulls/Steers, 106 Feeder Heifers, 156 Feeder Steers. Locally 4-6 weight heifers went against the regional market by fetching \$2-\$5/cwt higher prices. Other calves followed the regional trend to lower prices as did the feeders. Most bred cows were 1-5 months bred with limited demand for going back to country. The 1-3 month bred up to 2 year old were flushed and sent to feedyards. Big drop off in quality of pairs from last week. Packer prices were \$2 higher. *Thank God for giving His creation a much needed drink – it will be nice to see some green grass again.*
