

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from August 19, 2019, were 819 head including: 24 Bulls, 208 Cows, 28 Calves, 93 Longhorns, 137 Stocker Heifers, 174 Stocker Bulls/Steers, 67 Feeder Heifers, 98 Feeder Steers. The market rebounded from last week's nose dive 2-5 weight heifers had double digit gains on high prices with weighted average on 5-6 weights \$7-\$10 higher. 4-6 weight steers weighted average was \$5-\$13 higher. USDA quoted feeders \$4-\$6 higher. We did not have enough quality feeders for a valid test. Packers were steady to \$1.50 higher. Most bred cows and pairs were older with only a few going back to country. Triple digit heat in the Texas/Oklahoma market area with deteriorating grazing is a catch 22 situation. It is not desirable to ship cattle in such heat but they will start losing weight as the grass dries out. Pray for rain!

PRICES REFLECT BEEF CALVES ONLY.

BEEF CATTLE
