

## MARKET REPORT - DECATUR LIVESTOCK MARKET

*Consignments from August 26, 2019, were 1007 head including: 25 Bulls, 160 Cows, 25 Calves, 142 Longhorns, 170 Stocker Heifers, 256 Stocker Bulls/Steers, 86 Feeder Heifers, 142 Feeder Bulls/Steers.* Except for 5 weight calves, the calf market had strong gains and feeders were \$1.50-\$2.00 higher reflecting higher futures prices and fairly widespread rain around Texas and Oklahoma. The selection of bred and pairs continue to be limited – we had a handful of mid age cows bred 4-5 months selling at \$1000-\$1125, but most others were too old to go back to country. Packer bulls \$3.00-\$4.00 higher and cows steady. **Early consignments for Labor Day include 60 super nice bred Angus and Angus+ heifers/2 year olds weighing 900-1000# that will start 90 day calving period in October. Bred to proven LBW Angus bulls – extra gentle. In addition, we will have our 1<sup>st</sup> Monday weaned calf segment. Calves for this segment must be weaned at least 45 days and come in Friday or Saturday.**

PRICES REFLECT BEEF CALVES ONLY.
