

MARKET REPORT - DECATUR LIVESTOCK MARKET

Consignments from August 28, 2017, from 207 sellers were 1196 head including: 30 Bulls, 255 Cows, 20 Calves, 132 Longhorns, 217 Stocker Heifers, 281 Stocker Bulls/Steers, 89 Feeder Heifers, 172 Feeder Bulls/Steers. Average price = \$758. Last sale = \$736. A year ago = \$719. The August on feed report released last week showed inventory in feed lots to be less than anticipated. Add to this the projected loss of cattle in the massive flooding of South Texas and demand for cattle took a jump. 2-5 weight heifers were \$3.50-\$7.00 higher with 7-8 weights \$2.00-\$5.00 higher, reversing the lower tone of last week. 5-8 weight steers added to last week's gains with 6 weights \$7.00 higher on average. Very few young cows; mid age breeds \$75-\$150 higher and pairs steady to \$150 higher. Packer cows \$4.00-\$5.00 higher with bulls \$4.00-\$9.00 higher. *We feature weaned calves on the 1st sale of each month. Minimum requirements: weaned 45 days or longer and brought in by Saturday. Information on weaned dates and any vaccinations is provided for the buyers prior to the sale.*
