

**Market Report
Decatur Livestock Market LLC
September 13, 2021**

1539 head including: 45 Bulls, 329 Cows, 63 Calves, 211 Longhorns, 249 Stocker Heifers, 360 Stocker Bulls/Steers, 100 Feeder Heifers, 182 Feeder Steers. The futures being down the limit towards the end of last week as well as today combined with the temperature fluctuations that signal fall arriving did not help the prices on unweaned calves. We are coming into the time of year that there is more sickness and death so cattle start to get a little cheaper to compensate for the medicine and death loss. Had active bidding on the bred and pairs offered yesterday with prices being \$50-\$125 higher. Packer prices \$4/cwt higher. **Our annual "Fall Roundup" Special Replacement Sale is going to be October 23. Consignments are open – to consign your cattle, call us at 940-627-5599 or email us dltmteam@aol.com.**
