

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from October 1, 2018, were 2535 head including: 38 Bulls, 470 Cows, 63 Calves, 178 Longhorns, 664 Stocker Heifers, 687 Stocker Bulls/Steers, 165 Feeder Heifers, 142 Feeder Steers. With 530 head in the weaned calf segment and several others through out the sale, the stage was set for a big rebound in prices as compared to last week. 5-6 weight steers led the way with double digit gains as did 2-3 weight steers and heifers. Packer prices dropped back \$4-\$5/cwt as fall cullings have filled their pens and aggressive harvesting have filled the coolers. The cattle they are buying will not be processed for a while so will need to be on feed longer. Most of the young bred were 2-5 months bred and weighing 950# or less.
