

MARKET REPORT - DECATUR LIVESTOCK MARKET

Consignments from October 10, 2016, from 183 sellers were 981 head including: 19 Bulls, 204 Cows, 17 Calves, 95 Longhorns, 145 Stocker Heifers, 246 Stocker Bulls/Steers, 64 Feeder Heifers, 142 Feeder Bulls/Steers. Average price = \$603. Last sale = \$637. A year ago = \$877. Regional Stockyard called the market on feeders mostly steady to \$1.50 lower while calves were steady with downward pressure and demand. Taking into account the weaned calf influence last week, your local market followed the national trend except for 3 and 6 weight heifers which were higher than last week. No take home type of bred or pairs to speak of with most going to packers. As compared to last week, overall quality was down with higher ratio of unweaned, Xbred and longhorn X calves. **Consignments still being accepted for replacement quality cows and heifers for our 24th annual "Fall Roundup" Special Sale, scheduled for Saturday, October 29. Call us today to consign your cattle – 940-627-5599 or email dlmtteam@aol.com.**
