

## MARKET REPORT - DECATUR LIVESTOCK MARKET

**Consignments** from October 12, 2020, were 1776 head including: 39 Bulls, 282 Cows, 26 Calves, 194 Longhorns, 385 Stocker Heifers, 454 Stocker Bulls/Steers, 155 Feeder Heifers, 241 Feeder Bulls/Steers. One word can sum up the market for the day – *Dismal*. The market began backing up in the middle of the last week and continued the downfall today. As mentioned in previous market reports, the combination of warm days, cool nights & fat, unweaned calves is a recipe for peril. In addition to the weather variances, the lack of rain in the forecast and the threat of army worms makes buyers hesitant to be overly active. The packing houses are continuing to work through the inventory of cull cows direct from the ranch. **Our annual “Fall Roundup” Special Replacement Sale is scheduled for Saturday, November 21. To consign your cattle, give us a call at 940-627-5599.**

PRICES REFLECT BEEF CALVES ONLY.
