

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from October 23, 2017, from 249 sellers were 1390 head including: 25 Bulls, 269 Cows, 19 Calves, 68 Longhorns, 290 Stocker Heifers, 347 Stocker Bulls/Steers, 130 Feeder Heifers, 242 Feeder Steers. Average price = \$667. Last sale = \$671. A year ago = \$643. We had mixed bag with good gains on 4-5 weight steers, double digit gains on 3 weight heifers and \$2.50 gains on 6-7 weights. Local coffee shop talk tends to focus on army worms and lack of moisture the result of which puts wheat grazing at risk – many producers are pulling back on demand with wait and see attitude. Aggressive culling of cows is apparent – it is surprising that so many shelly cows are around considering the favorable grazing conditions most of the year. Not much value in this kind. *Our 25th annual “Fall Roundup” is scheduled for Saturday, November 18. Sale will start at 12 noon. Consignments are open for replacement quality bred cows, bred heifers, open heifers and pairs. To consign your cattle, please give us a call at 940-627-5599.*
