

MARKET REPORT - DECATUR LIVESTOCK MARKET

Consignments from November 6, 2017, from 373 sellers were 2839 head including: 53 Bulls, 301 Cows, 29 Calves, 141 Longhorns, 598 Stocker Heifers, 823 Stocker Bulls/Steers, 324 Feeder Heifers, 570 Feeder Bulls/Steers. Average price = \$727. Last sale = \$675. A year ago = \$617. We had 983 calves/yearlings consigned for the weaned calf segment that led the market to double digit gains on heifers and continued to push steer prices higher. 3-6 weight heifers \$15.00-\$27.50 higher; 4-6 weight steers \$7.50-\$10.50 higher and feeder prices \$9.00-\$10.00 higher. The demand for better kind of market ready calves is strong in spite of increasing concerns about bare wheat fields. Breds and pairs were steady with limited supply of the top end kind. Packer prices steady. *Our 25th annual "Fall Roundup" is scheduled for Saturday, November 18. Sale will start at 12 noon.*
