

## MARKET REPORT – DECATUR LIVESTOCK MARKET

**Consignments** from November 7, 2016, from 221 sellers were 1835 head including: 20 Bulls, 180 Cows, 28 Calves, 77 Longhorns, 435 Stocker Heifers, 505 Stocker Bulls/Steers, 200 Feeder Heifers, 389 Feeder Steers. Average price = \$617. Last sale = \$620. A year ago = \$829. We had 794 head come in Saturday for the weaned calf segment and they created a positive emphasis for higher calf prices – weaned calves are in good demand. Even discounting the better quality as compared to last week we had significant increases to calf prices. 5-6 weight steers were \$20-\$23/cwt higher on high prices and \$10-\$18 on average prices. 7-8 weight steers were \$3.50-\$4.50 higher even though the regional prices were quoted at \$1-\$3 lower on feedrs. Except for 4 weight heifers, the 2-5 weights were \$6-\$8 higher and 6-8 weights \$3-\$4 higher. The widespread rain preveneted many cows from coming to town.
