

## MARKET REPORT - DECATUR LIVESTOCK MARKET

*Consignments from November 16, 2020, were 1705 head including: 30 Bulls, 363 Cows, 27 Calves, 125 Longhorns, 416 Stocker Heifers, 398 Stocker Bulls/Steers, 127 Feeder Heifers, 219 Feeder Bulls/Steers. Compared to last week, our market was steady on most classes with 4 weight steers and 3-5 weight heifers gaining the most ground. Wheat grazing is looking promising so buyers are actively filling orders. Heard from some buyers that sickness is still an issue on unweaned, fat calves – demand for weaned calves high. Packer prices steady. Buyers were looking for bred cows and pairs were active, just not much offered. **We do have a good offering consigned for our upcoming special sale this Saturday, so make plans to join us! The sale will begin at 12 noon.***

**PRICES REFLECT BEEF CALVES ONLY.**
