

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from November 27, 2017, from 241 sellers were 1361 head including: 32 Bulls, 298 Cows, 25 Calves, 63 Longhorns, 275 Stocker Heifers, 368 Stocker Bulls/Steers, 121 Feeder Heifers, 179 Feeder Steers. Average price = \$699. Last sale = \$681. A year ago = \$665. We saw quite a bit of advancement in steer and heifers under 600 lbs., \$15-30 per 100 lbs. A lot of plain cross bred calves under 500 lbs didn't allow average prices to reflect the #1 quality cattle. Had a large consignment of open 3-4 year old cows that were well received and went back to the country. Packers steady to \$2 higher. Still seems to be demand for young bred cows and pairs. *We feature weaned calves on the 1st sale of each month. Minimum requirements: weaned 45 days or longer and brought in by Saturday. Information on weaned dates and any vaccinations is provided for the buyers prior to the sale.*
