

MARKET REPORT – DECATUR LIVESTOCK MARKET

Consignments from December 7, 2020, were 2889head including: 38 Bulls, 382 Cows, 74 Calves, 209 Longhorns, 784 Stocker Heifers, 828 Stocker Bulls/Steers, 218 Feeder Heifers, 356 Feeder Steers. With 780 head in the weaned segment as well as more weaned calves throughout the sale and overall improved quality of cattle compared to last couple weeks, the demand was strong on all classes of calves/yearlings driving prices \$5-\$15/cwt higher. Wheat grazing is looking promising so the push to fill orders before the end of the year is prevalent as evidenced by several new orders and buyers present. Demand for good young bred and pairs still strong, just not many coming to town. Packer market was steady. **December 14 will be our last sale of 2020 – First sale of 2021 will be January 4 and feature weaned segment. Merry Christmas and Happy New Year!**
