

## MARKET REPORT - DECATUR LIVESTOCK MARKET

**Consignments from December 14, 2020, were 1359 head including: 42 Bulls, 305 Cows, 43 Calves, 152 Longhorns, 285 Stocker Heifers, 265 Stocker Bulls/Steers, 108 Feeder Heifers, 159 Feeder Bulls/Steers.** Compared to last week, the market was steady on most classes except 5 weight steers – high number of crossbreds in this category, which resulted in prices being \$7/cwt lower. Good demand for 3-4 weight steers and heifers for wheat grazing prospects, which is looking promising with all the widespread rainfall. Not many young breds or pairs on hand to test the market. Packer cows \$1-\$2 lower with a high number of thin, older cows. **Our next sale will be Monday, January 4 and feature the weaned segment. Thank you to all our buyers and sellers for the business this year – we appreciate every one! Merry Christmas and Happy New Year!**

PRICES REFLECT BEEF CALVES ONLY.
